MYSTERIES
OF
EGYPT

3 Nights & 4 Days

Dig deep into the archaeological remnants of ancient Egypt on this historical journey through Cairo, featuring the Great Pyramids of Giza, the magnificent statue of the Sphinx, ancient sites, medieval architecture and much more.

Day 1  Welcome to Cairo!

At once overwhelming and enchanting, Cairo is a city steeped in history yet enlivened with modernity. Start your Egyptian tryst at this timeless city as we pick you up at the airport for a private transfer to your hotel. Our representative will be waiting for you at the immigration desk and will assist you in the check in process at the hotel. The rest of the day is free to enjoy at leisure.

Day 2  Ancient Citadels, Mythical Creatures and the Great Pyramids

After breakfast at the hotel, step out for a guided tour of the most iconic sights of Egypt – the magnificent Giza Pyramids, the enigmatic Sphinx, the ancient ruins of Memphis and the necropolis of Sakkara. There’s nothing quite as intriguing in the world of travel than the mysterious pyramids of Giza. The Cheops Pyramid is especially interesting with its interior burial chambers open to public. Not far from the Pyramids is the Great Sphinx of Giza, which dates from the time of Chephren in 2620BC. We will also visit Memphis, the ancient capital of Egypt dating to some 5,000 years ago. Explore artefacts from many of the great rulers of Egypt, including the fallen statue of Ramses II. And visit Sakkara, one of the most exciting historical and archaeological areas in the country, where Egypt’s fascinating tryst with pyramids began. The famous step pyramid of King Zoser here was the first pyramid ever built in the country, by the famous pharaonic architect, Imhotep. Lunch is not included.
**Day 3  Historic Sights of Cairo**

After breakfast at the hotel, our local guide will be waiting for you to start a full-day exploration of Cairo’s most famous sights, including the Citadel of Salah El Din, Mosque of Mohamed Ali, Egyptian Museum & Khan El Khalil excluding lunch. The Egyptian Museum of Antiquities has one of the world’s finest collections of historical artefacts, bringing alive myths and legends from the country’s past. The Citadel situated on a highly visible spur of the Mokattam Hills of Old Cairo, was the nerve centre of Egypt for almost 700 years. Mamluk sultans and Turkish governors resided in the Citadel, which is among the world’s most splendid monuments of medieval warfare. Facing the Citadel is the Mosque of Sultan Hassan, built between 1356 and 1363 and perhaps the most majestic monument of Arab architecture in Egypt and the Mosque of Al-Rifai, which was constructed in two phases over the period between 1869 and 1912, when it was finally completed. Lunch is not included. You will be transferred back to the hotel with the rest of the day at leisure.

**Day 4  Farewell Cairo**

After breakfast at the hotel, you will be transferred back to the airport for your flight back home.
