Chairman's Message

Dear Members,

The conclave unfolded over two engaging days, bringing together industry leaders, policymakers, domain experts, and stakeholders from across the country for open and meaningful conversations. Discussions centred on how the real estate sector is responding to India's evolving economic and urban landscape, with focus on regulatory changes, sustainability, access to capital, and shifting consumer expectations. The exchange of perspectives reflected a sector that is steadily moving towards greater maturity, accountability, and closer alignment with national development priorities.

Alongside these conversations, the awards added a meaningful dimension to the conclave. They recognised organisations and individuals who are setting higher benchmarks through leadership, innovation, and responsible practices. These moments of recognition highlighted the long-term thinking and discipline the industry increasingly values, reinforcing CREDAI's belief that sustainable progress is built not only on growth and scale, but also on transparency, strong governance, and positive social impact.

These conversations were further strengthened by insights from the CREDAI & CRE-Matrix Sentiment Survey, which reflected a sector characterised by resilience and cautious optimism. The findings pointed to strong confidence in residential demand, with developers anticipating steady growth driven largely by end-user purchases and sustained trust in credible developers. At the same time, the insights highlighted the need for greater regulatory efficiency, with faster approvals emerging as a key priority to maintain momentum. Together, these inputs anchored the discussions in market realities and reinforced the importance of informed, data-backed approaches to shaping the sector's future.

As CREDAI continues its engagement across the country, such initiatives remain central to strengthening knowledge-sharing, supporting informed decision-making, and building a resilient, future-ready real estate sector that contributes meaningfully to India's growth story.

Warm Regards

Boman Irani

President's Message

Dear Members,

The CREDAI Conclave and the 1st Edition of the Awards for Real Estate Excellence, held on 19th and 20th December 2025 in New Delhi, will remain a special milestone in our collective journey. Over two enriching days, the Conclave reflected the strength of our community, the depth of our shared purpose, and the growing responsibility we carry as leaders of the Indian real estate sector.

I extend my sincere gratitude to the hon'ble dignitaries, policymakers, industry leaders, partners, and CREDAI members who came together to make this platform truly impactful. The presence of Shri Amit Shah, Hon'ble Home Minister and Minister of Cooperation; Shri Bhupender Yadav, Hon'ble Union Minister for Environment, Forest and Climate Change; Shri Manohar Lal, Hon'ble Minister of Housing & Urban Affairs and Minister of Power; along with other senior government representatives and state leaders, added immense value to the conversations. Shri Amit Shah's emphasis on transparency, accountability, and the need for institutions to work in the larger national interest strongly resonated with CREDAI's own commitment to responsible growth and nation-building.

What stood out most was the openness with which ideas were shared and challenges discussed. The Conclave enabled meaningful dialogue on sustainability, innovation, regulatory clarity, and inclusive development—areas that directly shape not just our industry, but the lives and communities we serve. The introduction of Awards for Real Estate Excellence was particularly heartening, as it recognised efforts that go beyond business outcomes and focus on quality, responsibility, and long-term impact.

As we move forward, let us carry this spirit of collaboration and purpose with us. Together, we continue to work towards a more responsible, innovative, and people-centric real estate ecosystem—one that meaningfully contributes to India's vision of *Viksit Bharat @2047*.

Warm Regards
Shekhar G Patel

CREDAI National Vision:

- Skilling 5 lakh workers across the country
- Driving sustainability through the Green India Council
- Building India's first national Real Estate Data Analytics Centre
- Easing and reducing the cost of doing business
- Redefining affordable housing to meet today's economic realities

Government Meetings and Representations

Meeting of Ministry of Statistics and Programme Implementation with Industry Associations

A meeting with Industry Associations was held on 11th December 2025 at K.L. Bhawan, New Delhi, under the chairmanship of Dr. Dalip Singh, Additional Director General, Economic Statistics Division, to discuss data availability for compilation of the Index of Service Production (ISP).

Representatives from CII, FICCI, RAI, NHB, CREDAI, and NAREDCO participated in the discussion; from CREDAI, Ishan Bhatia joined the discussion. Discussions focused on identifying reliable monthly and quarterly datasets from the real estate and trade sectors, leveraging RERA portals and NHB data, and ensuring confidentiality of shared information.

Action points were agreed for data sharing and institutional coordination to strengthen ISP compilation.

Launch of Comprehensive Framework to Promote Affordable Housing by NITI Aayog

On 23rd December 2025, NITI Aayog, in collaboration with the Ministry of Housing and Urban Affairs, launched a comprehensive framework to promote affordable housing under the chairmanship of Rajiv Gauba, Member, NITI Aayog, with leadership from Shri K Srinivas, Secretary, and Shri Kuldeep Narayan, Joint Secretary, MoHUA.

The framework recommends revising the definition of affordable housing, improving land supply, expanding rental housing and enhancing access to capital. The meeting was attended by Ishan Bhatia, AGM, CREDAI, which appreciated the inclusion of its recommendations and assured full implementation support.

NITI Aayog's High-Level Committee meeting on Non-Financial Regulatory Reforms

The Working Group on Manufacturing & Construction held a hybrid stakeholder consultation with the real estate industry on 16 December 2025 at NITI Bhawan, New Delhi.

During the meeting, CREDAI under the chairmanship of Mr Boman Irani, Chairman, Mr Shekhar Patel, President and Mr G Ram Reddy, President-Elect, made a presentation on non-financial regulatory reforms aimed at improving Ease of Doing Business and accelerating housing delivery. Key proposals included granting targeted core infrastructure status to select housing categories, rationalising environmental regulations by exempting standard urban housing projects from duplicative Environmental Clearances and fully digitising approval processes.

CREDAI also recommended unified and online building approval systems with defined timelines, uniform FSI calculation based on RERA area, and reforms in land registration to enable location-independent online property registration with strong digital safeguards.

Further, revisions to the definition of affordable housing were proposed to align carpet area norms and remove value-based caps. Overall, the presentation emphasised regulatory simplification, digitisation and harmonisation without diluting safeguards.

CREDAI General Body Meeting

The 2nd CREDAI General Body Meeting for FY 2025-26 was held on 18th December 2025 in New Delhi, with participation from over 70 members, including national office bearers, Executive Committee members, Zonal Vice Presidents, Joint Secretaries, State Presidents, and city leadership from across India.

Key discussions focused on strengthening CREDAI's engagement with the Government of India, including consultations with NITI Aayog, parliamentary committees, and ministries on ease of doing business, uniform RERA implementation, affordable housing definitions, GST rationalisation, and IBC-related reforms. Strong emphasis was placed on faster approvals, digitisation, single-window systems, and standard operating procedures across states.

Zonal Vice Presidents and Joint Secretaries presented detailed updates highlighting progressive reforms in Uttar Pradesh, Maharashtra, Telangana, Andhra Pradesh, Kerala, and Rajasthan, while also flagging regulatory challenges in states such as Madhya Pradesh and Bihar. State Presidents shared notable achievements in policy reforms, skilling initiatives, online approval systems, afforestation efforts, and action against illegal developments.

National Committee Convenors presented updates across environment, finance, PR, legal, skilling, urban development, research, events, youth initiatives, and the CREDAI National App.

The meeting underscored CREDAI's unity, data-driven advocacy, sustainability focus, and strong market outlook, setting a clear roadmap for coordinated national action.

CREDAI Conclave 2025

The CREDAI Conclave, a flagship thought-leadership forum held on 19th and 20th December, concluded successfully, reinforcing its role as a vital platform for shaping the future trajectory of India's real estate sector. The Conclave was graced by Shri Amit Shah, Hon'ble Home Minister and Minister of Cooperation, Government of India, as the Chief Guest, with Shri Bhupender Yadav, Hon'ble Union Minister for Environment, Forest and Climate Change, serving as the Guest of Honour.

The forum also saw the participation of Shri Bhupendra Patel, Hon'ble Chief Minister of Gujarat; Shri Srinivas R. Katikithala, Secretary, Ministry of Housing & Urban Affairs, Government of India; and Shri C. S. Setty, Chairman, State Bank of India—signalling strong engagement from leadership across government, policy, and finance.

With over 600 CREDAI members and delegates from across the country—including developers, policymakers, economists, and industry leaders—the two-day Conclave enabled substantive engagement through curated sessions, keynote addresses, and closed-door interactions. These deliberations focused on policy alignment, sustainability, innovation, and long-term reforms, reinforcing the role of real estate in nation building.

The Conclave underscored CREDAI's continued commitment to responsible growth, stakeholder empowerment, and the creation of a resilient, future-ready real estate ecosystem, while strengthening collaboration across allied sectors.

1st Edition CREDAI Awards for Real Estate Excellence

The inaugural edition of the CREDAI Awards for Real Estate Excellence marks a significant step in CREDAI's ongoing effort to recognise leadership, integrity, and innovation within India's real estate sector. Held on 19th and 20th December 2025, the platform showcases exemplary work through over 70 awards across 26 categories, spanning cities, asset classes, and landmark developments. Category winners were felicitated on the first day, while runners-up were recognised on Day 2, reinforcing a culture of merit-based acknowledgement and sustained performance across the industry.

The event was graced by Shri Manohar Lal, Hon'ble Minister of Housing & Urban Affairs and Minister of Power, Government of India, lending national stature to the initiative. In his address, the Minister highlighted the evolving nature of real estate's role in nation-building, underscoring that the sector must be driven by trust, simplified governance, and a people-centric approach. He emphasised that "real estate is not merely about constructing buildings, but about building dreams," and spoke about how streamlined regulatory processes and collaborative planning can enable more liveable, efficient cities for every Indian.

A key highlight of the awards was the conferment of the Lifetime Achievement Award on Mr. Irfan Razack, Chairman and Managing Director of Prestige Group, in recognition of his enduring contribution to shaping India's real estate and urban landscape. His visionary leadership and commitment to excellence continue to influence the industry's growth trajectory and its contribution toward sustainable urbanisation.

CREDAI CSR Initiatives

During December, CREDAI Skilling consolidated its nationwide efforts by strengthening delivery systems, expanding outreach, and reinforcing inclusive workforce development. The month brought together scale, structure, and purpose—deepening engagement across cities and aligning construction workers, developers, and working professionals across segments of the construction ecosystem.

Building on this momentum, the upskilling training program recorded strong on-ground traction during the month, with 2,168 workers enrolled across 68 batches—marking the highest enrolment in the current financial year. This also marks the highest enrolment achieved in the current financial year. Special emphasis was given on mobilizing and enrolling a higher number of women trainees, with the objective of strengthening and empowering the construction workforce community. CREDAI continues to scale its skilling ecosystem to foster the deeper synergies between developers and construction workers. A standout highlight of the month was, the certification distribution ceremony held in Nashik, specifically honoring our all-women batches. More than 70 women masons were awarded certificates, marking a significant step forward in women into specialized technical roles. CREDAI's skilling network expanded further with the addition of four new cities—Chennai, Bhubaneswar, Indore, and Guntur.

Workers Enrolled	Training Partner	Training Sites	No. of Developers	States Covered

An Orientation Program for Trainers under the CREDAI Skilling Program was successfully conducted in virtual mode, bringing together all trainers across locations on a common platform. The session focused on program goals, training methodology, reporting protocols, participant engagement techniques, and compliance requirements for batch execution. Trainers were briefed on standard classroom setup, branding norms, safety measures, and daily attendance and documentation expectations and the program witnessed participation from 70 above associated trainers.

CREDAI has officially launched the third batch of its Virtual Training Program for Junior Engineers, a specialized initiative designed to sharpen the technical competencies and professional readiness of emerging industry talent. Developed in collaboration with CSRDF, this tailor-made curriculum focuses on industry-specific skills that ensure junior engineers are fully equipped for the demands of the modern construction sector.

CREDAI Skilling Centres successfully celebrated World Soil Day across multiple training sites through awareness activities focused on soil conservation, sustainability practices, and the importance of environment-friendly construction methods.

Ecological Restoration & Water Security Initiative

During 2025, CREDAI CSR Foundation advanced ecological restoration in the Trimbakeshwar Block, Nashik, with 33,350 saplings planted across 1497 acres benefiting over 6,200 community members. Building on this progress, pre-plantation activities have commenced from November–December, focusing on site preparation and water readiness. These activities include watershed interventions (LBS, gabions, and CCTs), creation of waterholes and farm ponds, pit digging, removal of invasive species, and procurement of saplings and materials, laying a strong foundation for the next phase of plantation for 2026

To strengthen plantation sustainability, irrigation surveys were conducted Watershed surveys designed key soil and moisture conservation measures, supported by strong community and institutional cooperation—including the Gram Panchayat, Kankapur, CFR committees, and local landowners while TCM and pit digging and nursery development (seed sowing and raising saplings),activities were initiated in Deola to enhance groundwater recharge and protect plantation areas.

Representatives from CREDAI CSR Foundation also visited project locations, interacted with the community and ground team, and reviewed on-site progress, including the Chinchve irrigation survey across Devgaon, Met Chandrachi, Kankapur, Chinchve, and Shrirampur to plan pipelines, water storage, and system capacity, with farm pond locations finalized in Devgaon and Met Chandrachi to ensure water availability during dry months.

On December 2, 2025, A delegation from CREDAI NCR (Haryana) met Hon'ble Chief Minister, Shri Nayab Singh Saini, at Chandigarh to formally extend an invitation to attend the forthcoming CREDAI Conclave.

The delegation was led by Shri Manish Agarwal, President, CREDAI NCR (Haryana), and included Shri Pankaj Singla, Vice President. During the meeting, the delegation briefed the Hon'ble Chief Minister about the objectives and significance of the CREDAI Conclave, which aims to bring together policymakers, senior government officials, and leading stakeholders from the real estate and allied sectors.

The CREDAI representatives highlighted the industry's role in supporting planned urban development, affordable housing, infrastructure growth, and sustainable construction practices in Haryana. Delegation also reiterated CREDAI's commitment to working in close coordination with the State Government to promote transparency, ease of doing business, and environmentally responsible development.

The interaction was cordial and constructive, reflecting the continued engagement between CREDAI NCR (Haryana) and the Government of Haryana. The delegation expressed hope that the Hon'ble Chief Minister's presence at the Conclave would provide valuable guidance and encouragement to the real estate fraternity.

CREDAI NCR and Its Zonal Chapters Support ACETECH Delhi 2025

CREDAI NCR, along with its Zonal Chapters, extended support to ACETECH Delhi 2025, one of India's leading exhibitions for architecture, building materials, and construction technologies, held in December 2025.

On 4th December 2025, a delegation from CREDAI NCR and its Western UP Zonal Chapter, led by Shri Nikhil Hawelia, Hon. Secretary, joined the inaugural session and formally inaugurated the ACETECH Delhi event.

The presence of CREDAI leadership at the inauguration underlined the association's commitment towards promoting innovation, modern construction technologies, sustainable building practices, and industry collaboration. ACETECH serves as an important platform bringing together developers, architects, engineers, technology providers, and policymakers to showcase emerging trends and advancements in the built environment sector.

CREDAI NCR reaffirmed its continued support to initiatives like ACETECH that foster knowledge-sharing, encourage adoption of new technologies, and contribute to the overall growth and modernization of the real estate and construction industry.

CREDAI NCR (Western U.P.) Organises Roundtable on "Incentives for Sustainable Buildings"

The Confederation of Real Estate Developers' Associations of India - NCR (Western UP Zonal Chapter) successfully organised a high-impact Roundtable on "Incentives for Sustainable Buildings" on 4th December 2025. The event brought together industry leaders, policymakers, architects, sustainability experts and real estate professionals to discuss and promote policy measures that accelerate adoption of green and sustainable building practices.

The roundtable was represented by Shri Nikhil Hawelia, Hon. Secretary, CREDAI NCR (Western UP), who led the delegation at this important industry forum. The session focused on the need for clear, practical and result-oriented incentives that encourage developers to embrace sustainable construction, energy efficiency, waste reduction and environmentally responsible urban development.

During the deliberations, participants exchanged insights on existing government incentives for green buildings, both in India and globally. In India, various state and central government initiatives provide incentives such as additional Floor Area Ratio (FAR) / Floor Space Index (FSI) benefits for certified green buildings, property tax rebates, stamp duty concessions, expedited approvals and supportive financial mechanisms for sustainable construction projects. Several states, including Haryana, already offer incentives to developers for adopting internationally recognised green building standards such as IGBC (Indian Green Building Council) and LEED (Leadership in Energy and Environmental Design) certifications, encouraging energy conservation and reduced environmental footprint.

Experts highlighted that sustainable buildings not only contribute to significant reduction in energy and water consumption but also improve occupant comfort and long-term operational cost savings, making them economically attractive alongside their environmental benefits.

Shri Nikhil Hawelia emphasised the importance of industry-government collaboration in crafting incentive frameworks that support developers to go green without compromising viability. He reiterated CREDAI NCR's commitment to championing sustainable development practices and working with regulatory authorities to strengthen policy support mechanisms for green construction.

The roundtable concluded with a strong industry consensus on the need for coordinated action among stakeholders to mainstream sustainable building practices, foster innovation, and address climate change challenges through environmentally responsible construction.

CREDAI NCR - Ghaziabad Holds General Body Meeting

The General Body Meeting (GBM) of CREDAI NCR (Ghaziabad) was conducted on 6th December 2025 at Hotel Radisson Blu, Kaushambi, Ghaziabad, with active participation from member developers. The meeting focused on critical industry issues including air-pollution mitigation, development challenges in Ghaziabad, upcoming elections of the association, and strategic initiatives of CREDAI at the NCR level.

One of the key agenda items was a detailed discussion on the landmark Air Pollution Study being undertaken by IIT Delhi across the entire NCR region, covering eight major cities.

The meeting also deliberated on development-related issues in Ghaziabad, including discussions held with the Vice Chairman, Ghaziabad Development Authority (GDA), and reviewed key legal matters pending before the Hon'ble Allahabad High Court, seeking clarity on the way forward.

Another important agenda item was the discussion on upcoming elections of CREDAI NCR - Ghaziabad Zonal Chapter, wherein members were requested to approve the dissolution of the present EC, GC Board and allow the conduction of elections as per the approved election notice and nomination process. The CREDAI Conclave scheduled for 19-20 December 2025 was also discussed, including member participation and registrations.

The General Body further reviewed membership status of certain members, and strategies for a renewed membership drive to strengthen the chapter.

The meeting concluded with a constructive exchange of views and a collective resolve to work towards addressing regulatory challenges, promoting sustainable practices, and strengthening CREDAI's role as the leading voice of the real estate sector in Ghaziabad.

CREDAI NCR Holds EC, GC Meeting

The Executive Committee (EC) and Governing Council (GC) Meeting of CREDAI NCR was held on 11th December 2025 at Hotel Shangri-La's Eros, Connaught Place, New Delhi, marking an important moment with the formal transition of leadership and induction of the new Governing Board.

The meeting commenced with a Change of Guard Ceremony, during which the Outgoing President, Shri Manoj Kumar Gaur, addressed the members and handed over responsibilities to the incoming team. This was followed by an address by the Incoming President, Shri Vishal Gupta, who shared his vision and outlined key priorities for CREDAI NCR.

The election process, conducted under the supervision of Election Officer Shri Getamber Anand, saw all office bearers assume responsibility unopposed, reflecting strong consensus among members.

The new office bearers include Shri Vishal Gupta as President; Vice Presidents Shri Anil Kumar Gupta, Shri Dinesh Gupta, Shri Gaurav Gupta, Shri Manish Agarwal and Shri Vineet Kanwar; Shri Nikhil Hawelia as Secretary; Shri Arpit Goel as Joint Secretary; and Shri R.C. Gupta as Treasurer.

The meeting also saw the induction of new members into the Governing Council, namely Shri Anubhav Jain, Shri Deepak Kapoor, Shri Kushagr Ansal, Shri Pankaj Goel, Shri Prashant Solomon and Shri S.K. Singhal, while senior industry leaders Shri Getamber Anand, Shri Manoj Kumar Gaur, Shri Pankaj Bajaj and Shri Rohit Raj Modi were inducted as Patron Members. Various committee and chair responsibilities were finalised by common consensus, including Shri Pankaj Singla as Chair for Plantation & CSR; Shri Apoorv Jain and Shri Manas Modi as Co-Chairs for Learning & Innovation; Shri Lakshay Totlani as Chair for Skill Development; and the CREDAI Youth Wing with Shri Apoorv Jain as Coordinator and Shri Lakshay Totlani as Secretary.

Key agenda items included updation of bank signatories, deliberations on challenges faced by developers across Delhi NCR, and planning of future initiatives such as Youth Wing activities, learning programmes, study tours, skill development drives, plantation initiatives and structured progress reporting from zonal chapters. The meeting concluded with a collective resolve to work cohesively towards sectoral growth, address policy-related challenges, and further strengthen CREDAI NCR's role as a leading industry body.

CREDAI NCR (Western U.P.) Supports HPDA at "Invest in Hapur" Summit-2025

CREDAI NCR (Western U.P.) extended its support to the Hapur-Pilkhuwa Development Authority (HPDA) during the flagship "Invest in Hapur" Summit-2025, held on 12th December 2025, aimed at showcasing Hapur as an emerging investment and real estate growth destination in the NCR influence zone.

A delegation of CREDAI NCR (Western U.P.), including the CEO & Director, CREDAI NCR, attended the summit and interacted with HPDA leadership and other stakeholders. The delegation appreciated HPDA's efforts to create a structured investment environment through planned development, stronger infrastructure, and investor facilitation.

The summit was inaugurated in the presence of Shri Suresh Kumar Khanna (Hon'ble Minister, Finance & Parliamentary Affairs, Government of Uttar Pradesh) as the Chief Guest, along with Shri Kapil Dev Agarwal (District In-Charge Minister).

The event was led by HPDA under the stewardship of Dr. Nitin Gaur (IAS), Vice Chairman, HPDA, who presented the authority's development roadmap and emphasized faster approvals and on-ground execution to attract credible investment.

The summit also saw the participation of key district representatives and elected leaders, including the District Magistrate, District Panchayat Chairperson Smt. Rekha Nagar, and local MLAs Shri Dharmesh Singh Tomar (Dholana), Shri Vijaypal Aadhati (Sadar Hapur) and Shri Harender Singh Theotia (Garhmukteswar), reflecting broad administrative and political support for the investment push.

Discussions at the summit highlighted Hapur's improving connectivity and strategic advantage - supported by major corridors such as NH-9, NH-334, peripheral connectivity and the Ganga Expressway region - along with the growing feasibility of residential and commercial developments as land prices rise in nearby markets.

HPDA's ongoing and proposed development initiatives - including schemes such as Haripur (Babugarh) and Ganga Dham (Garhmukteshwar) and plans for new civic/event infrastructure - were also discussed as key enablers for sustainable regional growth.

CREDAI NCR (Western U.P.) reiterated that the developer community is keen to work with authorities to enable planned urbanisation, transparent processes, and quality infrastructure - so that investments translate into real benefits for citizens, employment generation, and long-term economic growth in the region.

CREDAI NCR Organises High-Impact Study Tour of Landmark Real Estate Projects in Gurugram

On 18th and 19th December, CREDAI NCR successfully organized an extensive Study Tour of some of Gurugram's most iconic and benchmark real estate developments, offering its member-delegation valuable insights into contemporary construction practices, township planning, sustainability, luxury housing, and end-user-centric design.

The Study Tour covered the following prestigious projects:

- DLF Camellias, Gurugram – one of India's most celebrated luxury residential developments, showcasing global standards in architecture, construction quality, landscaping, privacy planning, and ultra-luxury living.
- Krisumi, Gurugram – an exemplary Indo-Japanese collaboration reflecting precision engineering, disciplined execution, superior workmanship, and international best practices.
- Ashiana Anmol, Gurugram – a pioneering senior-living project that demonstrated thoughtful design, wellness-oriented planning, and community-focused residential development.
- Central Park - Flower Valley, Gurugram – a large integrated township highlighting long-term vision, scale, meticulous landscaping, and holistic urban living.

During the tour, the delegation had in-depth interactions and walkthroughs, gaining practical learning on project execution, construction technologies, planning philosophies, and lifestyle-oriented development models. Members described the experience as extremely enriching and educational, underlining that such exposure plays a crucial role in raising overall industry standards.

The Study Tour was organized under the guidance of CREDAI NCR President Shri Vishal Gupta and Secretary Shri Nikhil Hawelia. The on-ground coordination was handled efficiently by Team NCR who ensured smooth execution of the entire program under the close supervision of Shri Apoorv Jain. Co-Chairman Shri Manas Modi was also present during the tour, actively engaging with the delegation and contributing to the overall learning experience.

Participants appreciated the seamless planning and professional conduct of the tour, lauding CREDAI NCR's efforts in facilitating meaningful knowledge exchange within the real estate fraternity.

CREDAI NCR Representatives felicitated Shri Manoj Kumar Singh during CREDAI Conclave

The event witnessed a significant and insightful session with the presence of Manoj Kumar Singh, Former Chief Secretary, Uttar Pradesh, and Chief Executive Officer, State Transformation Commission, Uttar Pradesh, who joined the conclave as a distinguished speaker.

Addressing an august gathering of real estate developers, policymakers, and industry leaders from across the country, Shri Manoj Kumar Singh shared deep and forward-looking perspectives on Uttar Pradesh's evolving regulatory framework and the State's ambitious "State Transformation" initiatives. His address offered valuable clarity on policy direction, governance reforms, and institutional mechanisms aimed at creating a more transparent, efficient, and investor-friendly ecosystem.

Shri Singh elaborated on how structured reforms, data-driven governance, and long-term vision are reshaping Uttar Pradesh into a resilient and growth-oriented state. His insights provided CREDAI members with a practical roadmap to align future real estate development with the State's broader economic and urban transformation goals.

The leadership role played by Shri Manoj Kumar Singh in steering administrative reforms and strategic planning was widely acknowledged by the audience. Members noted that his guidance has been instrumental in strengthening institutional capacity and enabling sustainable growth across sectors, including housing and infrastructure.

CREDAI NCR Shares Practical Roadmap on Demolition Waste Management at CAQM Meet

On 26th December 2025, the Commission for Air Quality Management (CAQM) convened an important stakeholder consultation meeting to

deliberate on the management of demolition waste originating from construction and demolition (C&D) sites across the National Capital Region (NCR).

The meeting was chaired by Dr. S. D. Attri, Member (Technical), CAQM, with the objective of seeking practical, implementable inputs from key stakeholders to strengthen on-ground enforcement and sustainable handling of demolition waste. Recognising the critical role of the real estate and construction sector, CAQM approached CREDAI NCR for expert opinion and field-level guidance. CREDAI NCR was represented by its Secretary, Shri Nikhil Hawelia, who shared industry insights and pragmatic suggestions based on actual site-level experience.

The meeting witnessed participation from senior officials of multiple central and state agencies, including Noida Authority, Greater Noida Authority, Ghaziabad Development Authority (GDA), Municipal Corporation Gurugram (MCG), Gurugram Metropolitan Development Authority (GMDA), Faridabad Metropolitan Development Authority (FMDA), Directorate of Town and Country Planning (DTCP) Haryana, Central Public Works Department (CPWD) Delhi, Public Works Department (PWD) Government of NCT of Delhi, National Buildings Construction Corporation (NBCC), National Highways Authority of India (NHAI) and Delhi Metro Rail Corporation (DMRC).

During the deliberations, Shri Nikhil Hawelia highlighted practical challenges faced at demolition sites, particularly in segregation, storage, transportation and disposal of debris. He emphasised the need for clear operating procedures, designated dumping zones, availability of authorised recyclers, and uniform enforcement across NCR jurisdictions to prevent illegal dumping and secondary pollution.

His suggestions focused on bridging the gap between policy intent and field execution, including better coordination between local bodies and developers, use of technology for tracking waste movement, and incentivising reuse and recycling of demolition material. The clarity and realism of the inputs were highly appreciated by CAQM officials, who acknowledged the value of industry participation in shaping workable environmental solutions.

The meeting underscored CAQM's collaborative approach in addressing air pollution and waste-management challenges, reinforcing that effective demolition-waste management requires joint ownership by regulators, urban local bodies, infrastructure agencies and the construction industry.

CREDAI NCR reaffirmed its commitment to support CAQM in the larger interest of public health and urban sustainability in NCR.

CREDAI NCR (Haryana), CREDAI CSR Foundation and Heartfulness Join Hands to Accelerate Aravalli Restoration at MatriVan

Reinforcing its strong commitment towards environmental sustainability and ecological restoration, CREDAI NCR (Haryana), in collaboration with Heartfulness and CREDAI CSR Foundation, has commenced an intensive tree plantation and forest rejuvenation drive at the Aravalli site under the MatriVan initiative.

On 30th December 2025, a joint delegation comprising representatives of Heartfulness - Mr. Chakra, Mr. Ajay Saini and Ms. Chitra - held a detailed on-ground discussion with the CREDAI NCR (Haryana) team including Mr. Sushant Gupta and Mr. Adil Riaz, along with Ms. Rumpa Roy representing CREDAI CSR Foundation. The deliberations focused on initiating the plantation drive on an immediate basis, setting up a dedicated nursery, scientific removal of unwanted and invasive vegetation, and large-scale plantation of Aravalli-friendly native tree species to strengthen the fragile ecosystem.

As part of the consultative process, the delegation visited the office of Mr. Subhash Yadav, IFS, and subsequently met the DFO Mr. Raj Kumar, to align the initiative with forest department guidelines and to ensure that all ecological interventions follow sustainable and approved forestry practices.

To translate planning into action, the team conducted a detailed site visit to identify the most suitable nursery location, which will serve as the backbone for long-term plantation activity. The delegation also visited the Aravalli Biodiversity Park to study best practices in biodiversity restoration, species selection and long-term maintenance of forest landscapes.

The representatives of CREDAI emphasized that MatriVan is not merely a plantation drive but a sustained effort to revive the Aravalli range through scientific planning, community participation and institutional collaboration. The initiative aims to create a self-sustaining green cover that will contribute to improved air quality, groundwater recharge and biodiversity conservation in the NCR region.

With strong coordination between CREDAI NCR, Heartfulness, CREDAI CSR Foundation and the Forest Department, the MatriVan project is poised to emerge as a benchmark model for responsible and impactful forest development, reflecting the industry's proactive role in safeguarding natural ecosystems for future generations.

ABOUT CREDAI

Confederation of Real Estate Developers' Associations of India (CREDAI) is the apex body of private Real Estate developers in India, established in 1999, with a vision of transforming the landscape of Indian Real Estate industry and a mandate to pursue the cause of Housing and Habitat. Today, CREDAI represents 13000+ Developers across 230 city chapters in 20 states and plays an important role in policy formulation by representing the views of its members to various Ministries at regular intervals.

CREDAI strives to make the Real Estate industry organized and progressive by working closely with all stakeholders: Government representatives, policy makers, investors, finance companies, consumers, and real estate professionals. CREDAI is a recognized partner for the Government and is represented on several committees working in policy formulation.

CREDAI engages in policy advocacy with various Ministries at the State & Central Level.

CREDAI has a focused approach in the skilling & upskilling of construction workers & strives to ensure that the construction labour accesses social benefits extended by various departments of state & central Governments. Under its CSR, CREDAI has skilled more than 2 Lakh construction workers and youth till date.
